Hi all,

I apologize for the lateness in response, I spoke to Fidel earlier and this afternoon completely blanked on responding. Fidel and Martha have been out there before and have safety concerns already. Could we please deploy HOPE?

Thanks for your assistance!

Re: Hollenbeck Park Illegal Encampments

Good morning team

As you all know I am out sick today but I saw this high priority email request regarding Hollenbeck Park in ELA. Team please conduct outreach services to location and provide update to email chain? Report back if clients receptive/reluctant to services also if there are any safety concerns leading to perhaps having HOPE team intervene.

Respectfully

Thank you for including me, Albert. Please let me know if I can assist in any way.

Re: Hollenbeck Park Illegal Encampments

Luz, in the future, if you call the police and there is an arrest made, can you please let me know. I would like to handle the criminal matter directly to try to get stay away orders for problematic individuals. I will consult with SLO Griego on this matter.

Thank you!

Hello Albert,

I have put in another request regarding the illegal encampments bordering the park. The encampments nearest the 4th street restrooms are the most problematic. We have had recent incidents with the individuals in that area this past week. We have called LAPD/LAFD several times for bonfires, fights, and issues with the restrooms.

We have had problems with some of these transients refusing to exit the restrooms, and basically giving us a hard time. On Saturday, one woman was arrested.

Re: Hollenbeck Park Illegal Encampments

Yesterday, I called LAPD because a fight broke out among these individuals and their dogs. I believe the paramedics responded as well.

They have cut the fence so they are able to walk in the park and back up to the encampments.

Anything you can do to expedite this process would be greatly appreciated!
